FIG. 650 is a cross-sectional view of a device 650, showing a substrate 655 with a series of openings 654. Each opening 654 contains a component 651, which is connected to a top layer 653. The top layer 653 is shown in cross-section, revealing a layered structure. The device 650 is shown in a circular cross-section, with a dashed line indicating the boundary of the device.
